Dear Treasurer:

In accordance with the Secure Rural Schools (SRS) Act, P.L. 115-141 reauthorized March 23, 2018, the U.S. Department of Agriculture's Forest Service will process a payment to your state on or about May 7, 2018. The credit to your financial institution will be transferred to the account designated by your state in the System for Award Management (SAM).

This payment is the sum of the amounts elected by each county within the state to receive either a share of the state's 25% 7-year rolling average payment, or a share of the state's SRS formula payment, less the payment released February 16, 2018. The enclosed reports detail more information regarding distribution of the payments to the counties. Each state and county is accountable for the proper use of funds under the Single Audit Act.

Additional information is available on the Payments to States homepage at www.fs.usda.gov/pts/. Inquiries concerning SRS payments may be directed to Dean Russell, (505) 563-7337, deanrussell@fs.fed.us.

Sincerely,

ANTOINE L. DIXON
Chief Financial Officer
